

GBTK-UB Compact Bracket

Features

- Compact design with short wall mount surface, height is less than half of standard **GBTK** bracket series
- Maximises space under the top board
- Strong and safe design
- With reinforcement rubber to prevent from sinking into the wall of plasterboard
- Perfectly fits at the corner

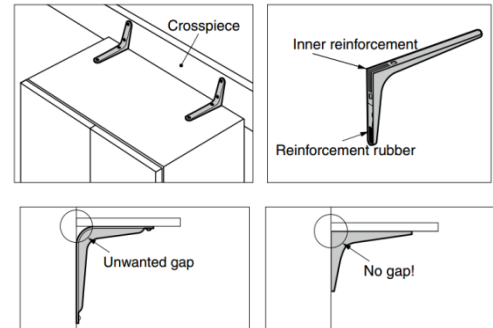

Notes

- To prevent inclination due to the load when using as a shelf bracket, the opening angle is slightly more than 90°

Parts Included

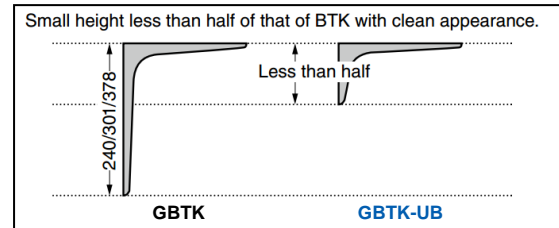

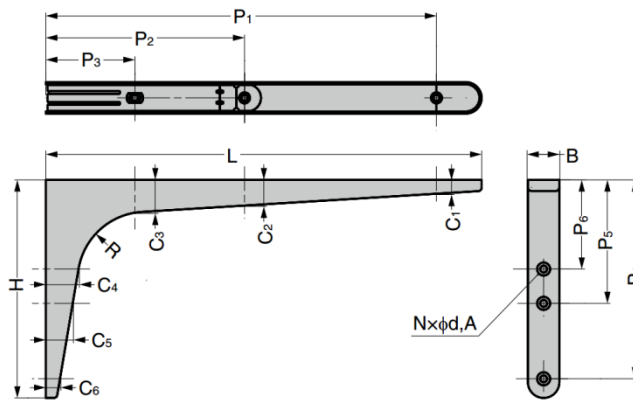

- Raised countersunk head wood screw included

Part Name	Material	Finish / Colour	Countersunk Head Wood Screw (Head Only)
