

GF6 4 Hole Torpedo Lift-Off Hinge

Features

- 4-hole torpedo lift-off hinges are recommended for heavier doors where the extended leaf enables weight to be better distributed
- Available in left-hand and right-hand versions
- Chromium-plated finish gives good resistance to normal environmental conditions
- Doors lift-off fixed pin in bottom half of hinge

Material

- Body: Zinc alloy die cast, bright chromium-plated or raw finish
- Pin: Stainless steel

Product Performance

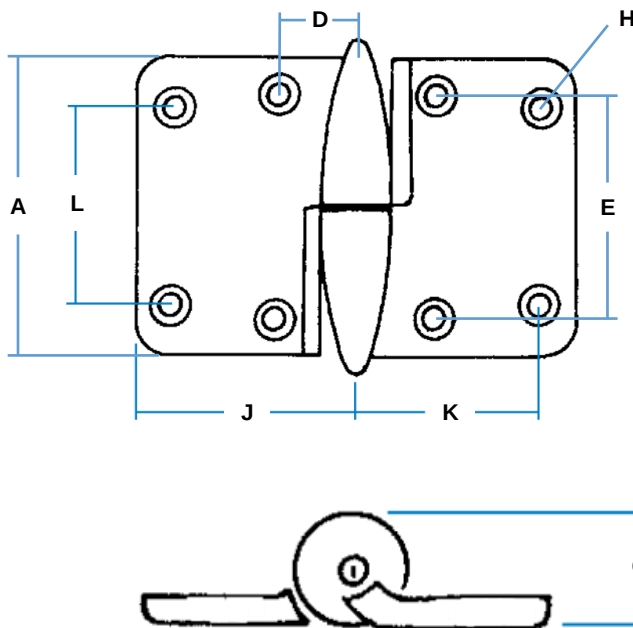

- Load capacity: 125 kg (per pair)

Notes

- Plant-on, and secured through countersunk holes in hinge leaf
