

## GF6 Torpedo Lift-Off Hinge

### Features

- Widely used for electrical cabinets and enclosures, allowing doors to be quickly mounted or removed from frames
- Chromium-plated finish and 10 mm stainless steel pin gives good resistance to normal environmental conditions
- Doors lift-off fixed pin in bottom half of hinge
- Hinge opens fully forward to 180°, and backward to 60° from horizontal
- Available in left-hand and right-hand versions

### Material

- Body: Zinc alloy die cast, bright chromium-plated or raw finish
- Pin: Stainless steel

### Product Performance

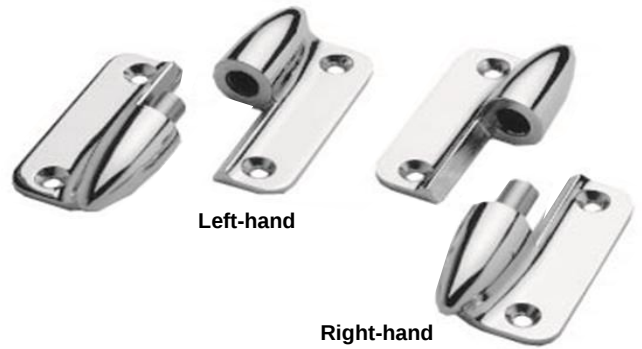

- Load capacity: 60 kg (per pair)

### Notes

- Plant-on, and secured through countersunk holes in hinge leaf
