

GLSN Stainless Steel Piano Hinge

Features

- 5 widths (25mm, 32mm, 38mm, 50mm, 100mm) and lengths from 300 to 2000mm suitable for various applications
- Thick type (t = 3mm, 4mm) for ultra heavy duty also available
- **GLSN 40-100-500** and **GLSN 40-100-1000** have built-in metal mesh resin composite bush with excellent wear resistance. Both ends are welded to prevent shaft from slipping off
- Special dimensions, additional hole drilling, or other materials and finishes are available on request (made-to-order)
