

## BN01 Avibulb XT

Dome head · Steel body · Steel stem · High performance bulbing  
6.4 mm (1/4")

### Features

- High performance structural breakstem fastener with excellent bulbing tail formation
- High shear and tensile strength and high residual clamp load providing strong, vibration resistant joints
- Multi-grip capability accommodates wide variations in material thickness
- Spreads the tail bearing load/clamp load on the rear sheet making it ideal for use in thin sheet materials
- Suitable also in softer materials
- Retained stem avoids damage, electrical problems or rattling caused by loose stems
- Underhead recess accommodates burrs around holes and spreads the load evenly on the top sheet

### Material

- Body: Low carbon steel, zinc plated, clear trivalent passivated
- Stem: Medium carbon steel, zinc plated, clear trivalent passivated
