

GHGH Stainless Steel Handle

Features

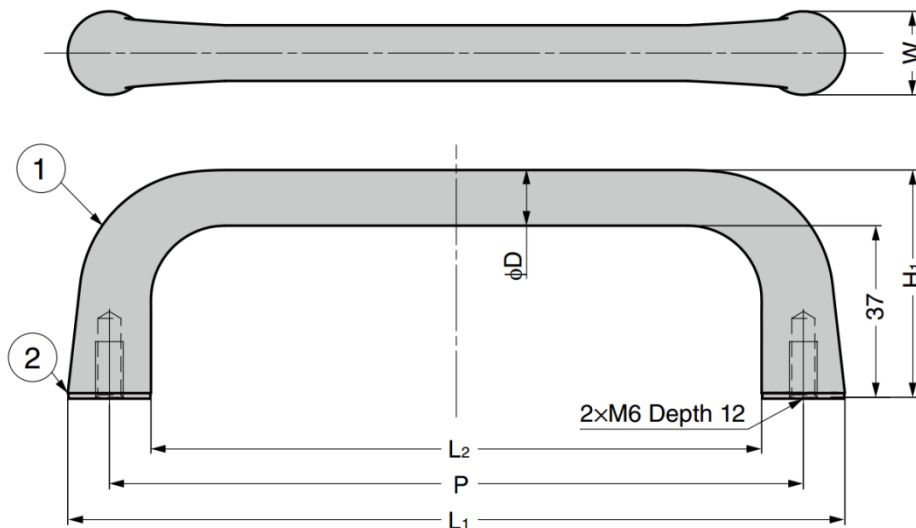

- Wider base for easy cleaning
- Silicone rubber gasket is compliant with the Food Sanitation Act
- Suitable for applications including food processing and production machinery

The silicone rubber mount provides a snug fit between the handle and the mounting surface.

The handle shape and the mirror finish are designed to discourage dust accumulation. This helps to suppress bacterial propagation and allows for faster and easier cleaning.

No.	Part Name	Material	Finish/Colour
①	Body	Stainless Steel (SUS304)	Mirror
②	Gasket	Silicone rubber (Q)	Blue
